Art has no definition but subversion and fashion has no compromise but extensiveness!

Dashcasa, which is a fashionable furniture brand derived from pure art and individuality, is neither from a famous company nor a falsely-imported furniture and an original Italy style but follows our definition on the fashion and our understanding world art, which includes no Italy furniture art recognized and praised highly by those who praise themselves as artists, because we think it is injudicious and it tramples and looks down on the art! We can carefully learn and research all the excellent arts all over the world, including grand master's art, also those folk and noteless arts.
